Dear Authorized Representative/Food Service Director:

Please review the attached information on the Paid Lunch Equity (PLE):
School Year 2012-2013 Calculations and Tool.

The Weighted Average Price for SY2011-2012 is needed to calculate SY 2012-2013 Weighted Average Price. The PLE Tool used to calculate the weighted average price for SY 11-12 is different than the PLE Tool used to calculate the weighted average price for SY 2012-2013. Contact your area consultant if you need the PLE Tool for SY 11-12 or if you have questions pertaining to the SY 12-13 PLE Tool.

Sincerely,
Patti Harding, Administrative Consultant
